Climate Resilience Committee
Agenda, 20 March 2024

NEXT MEETING: TBD

PRESENT:

AGENDA:

- Approve 1/31 minutes
- Welcome John Krueger, our new committee member!
- Update on recent other climate-related meetings: Susan, Molly, anyone else
 - Citizens Climate Lobby Carbon Tax warrant?
 - Maine Town Climate Champions
- “NCRC task board” updates

- **Resilient Infrastructure:**
 - Shoreline stabilization, engineering study update?
 - Vulnerability assessment: Our map is coming together but not yet ready to share.

- **Engage Northport residents**
 - Website: would it be helpful for Tinsley to start loading content onto a private Squarespace account page for approval purposes?
 - Town newsletter
 - Town meetings
 - Tidal gauges

- **Energy efficiency**
 - Town energy audit progress
 - Solar at landfill update

- **Environmental stewardship:**
 - Comprehensive Plan updates
 - I'd like to briefly consider the implications of the possible land seizure and subsequent pollution planned by Nordic Aquafarms/Belfast. What, if anything, can/should we do to protect our town and Penobscot Bay waters?

- Anything else we want to talk about?

- Homework! Choose something to work on and report about at the next meeting :)

- Schedule the next meeting
