

Town of Northport
Climate Resilience Committee Meeting Minutes
August 14, 2025 @ 10 am

Present:

Tinsley Morrison, Sue Conard, Pat Gladding, Celine Bewsher, James Kossuth, Molly Schauffler

Meeting Minutes

1. Updates:

WCAC: Fair coming up on Sat Oct 4 (Rain date Sun Oct 5). Plans for a table will be as before: Tinsley and Molly can be at the table, and will encourage others to help or fill in.

Shoreline mitigation status: James will proceed with Gartley and Dorsky to build the Town section as planned without further waiting on the neighbors re: extension of their section to meet the Town's. Bayside Park will go out to bid soon.

UMaine capstone projects: We'll hear from UMaine once the semester starts.

Waldo Co. Hazards Plan: Waldo Co. MEMA is pulling it together to submit.

2. CRP Grant: Due Aug 29.

Our membership expires Oct. 25, so we must submit a progress report and updated self- evaluation. To complete the Progress report, Sue will review and score progress on Actions B & C, Molly will do Actions E & F. We reviewed some of the short sections together. Briefly discussed membership Self-evaluation, which James will update.

Proposal progress: FB Environmental sent us a Scope of Work; We discussed how the composting pilot could work. James will work on the Scrap Dogs pilot section. Molly is working on the stormwater section, Sue will review.

3. Town Office developments: The Senate has passed the USDA appropriation with funding for our project, now awaiting the House to pass their version.

4. Solar energy update/discussion: Sue updated information about solar options – still confusing because the laws are in flux and we're hearing conflicting information.

5. New business: Community Fair: Sunday Sept 21 from 2-4 we are having a Community Fair at the Town Office, fun and games, non-profits and businesses will have tables.

5. Next meeting: Thursday Sept 11, 10:00 am at the Town Office.
