

Northport Climate Resilience Committee
Minutes
Thurs January 8, 2026, 10:00 am
Northport Town Office

Present: Tinsley, Pat, Sue, John, James, Molly

Updates:

1. Reminder about the Special Town Meeting on Jan 21 to vote on the solar project, and encourage folks to come.
2. Waldo County Climate Action Committee (no report, didn't meet)
3. Shoreline stabilization projects update – The Select Board awarded the bid for Kelly Cove to FC Work. Next project to bid is Bayside Park.

Solar Project:

1. Discussed strategy for upcoming Special Town Meeting Wed. January 21 re: voting on the solar project
2. Reviewed and revised Solar FAQ sheet and letter to potential supporters.
3. John Kreuger suggested finding some EDS students to lobby for solar at the meeting. He will follow up with Celine.
4. Schaufler gave an update on funding so far for the March installment of \$23,500. (\$6,000 so far).

CRP proposal re: Townwide stormwater assessment and free composting: As we have no word yet from CRP yet re: grant awards, we did not review Tinsley Morrison's draft for the composting commitment form.

Roadside Cleanup: We discussed involving EDS students more this year and acquiring some high-viz pinnies.

Next steps:

1. Sue, James, and Molly will work on a grant for the solar array from the Hopwood Charitable Trust for \$20K, due Jan 31 2026.
2. Next Resilience Committee meeting will be **Friday Feb. 13. 1:00 at the Town Office.**
3. Adjourned
