

Northport's New Community Center and Town Office: *a Legacy for Our Town*

WE are building a new Community Center and Town Office, while expanding our Fire Station. This project creates a new home for town business, a gathering place for neighbors, and a stronger base for our first responders. Whether your family has lived here since 1796 or you just arrived, **you can help.**

The Northport Way

When Northport needed a solar array, neighbors stepped up to pay the entire cost, with no tax money. The installer said he'd never seen anything like it before. Someone piped up, "Welcome to Northport!"

That's exactly how we're building the new Community Center and Town Office. Every gift now means lower taxes for everyone in the long run. It's the right thing to do. It's the Northport Way!

That spirit of giving has built community centers and firehouses across the state of Maine, and we're calling on it here in Northport. While \$2.325M in federal money comes to us as a gift, the rest is a \$3.5M loan that we will repay for 20 years. Your gift now helps minimize what we owe later. Plus, it's tax-deductible.

Every gift, of any amount, will help get us there debt-free.
With all oars in the water, we can do it!

Every gift builds our future

Ways to give—large or small, all of it counts!

\$25	Equip a voting booth for town elections
\$50	A place setting for community meals, or blankets for the Warming Station
\$75	Community Room chair
\$100	Community Room table
\$250	Sponsor a portion of the new water treatment system to remove 99% of arsenic currently in Town Office tap water
\$400	Energy-efficient window
\$500	Equip our firefighters with dedicated turnout-gear storage
\$1,000	Major kitchen appliance
ANY amount	Support vital Fire Station upgrades!

Interested in a larger gift or naming a room?

We'd love to talk with you—ask us at the table, or reach out anytime.
